Company **TDM BRASS S.r.l.**, manufacturer of fittings, valves and pipes for heating and sanitary systems for domestic use, is covered by a specific insurance policy taken out with VITTORIA ASSICURAZIONI S.p.A., in order to underwrite civil liability deriving from damages caused by defective products, and issues hereby a

SEALING GUARANTEE valid for 10 years

starting from the date of supply and relating to direct material or production defects, covering:

- INSTALLATION COSTS OF THE REPLACEMENT PARTS;
- COMPENSATION FOR DAMAGE CAUSED TO PERSONS OR PROPERTIES **UP TO € 3.000.000,00.**

1) This guarantee only covers the material found to be defective.

The defect must be notified to the manufacturer as soon as it is found and must be submitted to the manufacturer's inspection.

The notification of faulty material must be provided along with further documentation (e.g. photos of the installation, defected component etc...) demonstrating the manufacturing defect. Products with clearly visible defects should not be installed, instead they must be returned immediately to the manufacturer.

2) The product must be installed according to the instructions given in the installation leaflet.

3) The Guarantee is extended to all multi-layer pipes on condition that:

- a) They have an external diameter of 16 mm, 18 mm, 20 mm, 25 mm, 26 mm, 32 mm, 40 mm.
- b) They are one-piece, not damaged, not deformed, and circular in shape.
- c) They are manufactured in accordance with rules and regulations in force.
- d) They comply with standard UNI 10954.
- e) They comply with the dimensional specifications reported in the technical manual.
- f) Operations on press-fittings are performed with pressing jaws with profile TH-U-H.

This guarantee is **NOT** valid in case of:

- 1) Faults caused by incorrect installation and laying.
- 2) Faults caused by tampering by third parties during installation, transportation, assembly or delivery on site.
- 3) Faults caused by incorrect use.
